

Electric DECK OVEN

Professional-Grade Performance for Every Baking Need

Discover the **Rasbake Electric Deck Oven** range - engineered to deliver consistent, high-quality results for **bakeries, cafes, pizzerias, and commercial kitchens** of all sizes. Built with robust construction and advanced features, our ovens are designed to be the workhorse of your kitchen.

PRECISE DIGITAL CONTROL

Digital Controller ensures accurate temperature management from room temperature to 300°C for perfect results every time.

COMPLETE SAFETY SYSTEMS

Advanced overheat protection and secure door sealing for worry-free operation during long baking hours.

ROBUST CONSTRUCTION

Built with **Stainless Steel front** and **heavy-duty components** for long-lasting performance in demanding environments.

VISUAL MONITORING

Large glass viewing windows allow easy monitoring without losing heat or disrupting the baking process.

SPACE-SMART DESIGN

Compact footprints maximize your kitchen layout while delivering impressive capacity.

EFFICIENT HEAT DISTRIBUTION

Optimized chamber design ensures even baking across all trays, eliminating hot spots and ensuring uniform quality.
